What is your interest in serving on this board, commission or committee? I am an interested citizen of Missoula looking to volunteer in a capacity that will help me feel connected to the Downtown community and serve a wide variety of citizens and visitors.			
Do you have special knowledge, interest or experience that would qualify you for a position on this board, commission, or committee? I previously served as the Parking Services Director and have over six years of experience interacting with the Missoula Parking Commission Board. I would bring a valuable perspective to the board with experience as an employee commuting to the downtown area, as an MPC employee, and now, as a Missoulain who does not live in the Downtown area but visits frequently to participate in the Downtown area’s attractions.
