Under the Act, the Borrower is authorized to sell and issue its revenue bonds payable during a term not exceeding forty years from their date of issue, to provide funds for the reconstruction, improvement, betterment and extension of a storm water system or to refund bonds issued for such purposes; provided that the bonds and the interest thereon are to be payable solely out of the net income and revenues to be derived from rates, fees and charges for the services, facilities and commodities furnished by the storm water system, and are not to create any obligation for the payment of which taxes may be levied except to pay for services provided by the storm water system to the Borrower.

(b) The System. The Borrower, pursuant to the Act and other laws of the State, has established and presently owns and operates the System.

(c) The 2023 Project. After investigation of the facts and as authorized by the Act, this Council has determined it to be necessary and desirable and in the best interests of the Borrower to construct the 2023 Project.

(d) Outstanding Bonds. Pursuant to the Act and the Resolution, the Borrower has issued, and has outstanding, its Series 2021A Bond, Series 2021B Bond, and Series 2021C Bond. There is no litigation or proceeding pending, or to the knowledge of the Borrower threatened, against or affecting the Borrower in any court or before or by any governmental authority or arbitration board or tribunal that, if adversely determined, would materially and adversely affect the existence, corporate or otherwise, of the Borrower, or the ability of the Borrower to make all payments and otherwise perform its

obligations under the Resolution, the Series 2023 Bond and the Collateral Documents, or the financial condition of the Borrower, or the transactions contemplated by this Supplemental Resolution, the Series 2023 Bond and the Collateral Documents or the validity and enforceability of the Resolution, the Series 2023 Bond and the Collateral Documents. (d) No Defaults. No event has occurred and no condition exists that, upon execution and delivery of the Series 2023 Bond and the Collateral Documents, would constitute a default under the Resolution or the Collateral Documents. The Borrower is not in violation of any term of any agreement, bond resolution, trust indenture, charter or other instrument to which it is a party or by which it or its property may be bound which violation would materially and adversely affect the transactions contemplated hereby or the compliance by the Borrower with the terms of the Resolution or of the Series 2023 Bond and the Collateral Documents.

The Borrower shall execute and deliver to the DNRC all such documents and instruments and do all such other acts and things as may be necessary or required by the DNRC to enable the DNRC to exercise and enforce its rights under this Supplemental Resolution, the Series 2023 Bond and the Collateral Documents and to realize thereon, and record and file and re-record and refile all such documents and instruments, at such time or times, in such manner and at such place or places, all as may be necessary or required by the DNRC to validate, preserve and protect the position of the DNRC under this Supplemental Resolution, the Series 2023 Bond and the Collateral Documents.

(d) Maintenance of Security, if any; Recordation of Interest.

(1) The Borrower shall, at its expense, take all necessary action to maintain and preserve the lien and security interest of this Supplemental Resolution and the Collateral Documents so long as any amount is owing under this Supplemental Resolution or the Series 2023 Bond;

(2) The Borrower shall forthwith, after the execution and delivery of the Series 2023 Bond and thereafter from time to time, cause this Supplemental Resolution and any Collateral Documents granting a security interest in revenues or

real or personal property and any financing statements or other notices or documents relating thereto to be filed, registered and recorded in such manner and in such places as may be required by law in order to perfect and protect fully the lien and security interest hereof and thereof and the security interest in them granted by this Supplemental Resolution and, from time to time, shall perform or cause to be performed any other act required by law, including executing or causing to be executed any and all required continuation statements and shall execute or cause to be executed any further instruments that may be requested by the DNRC for such perfection and protection; and

(3) Except to the extent it is exempt therefrom, the Borrower shall pay or cause to be paid all filing, registration and recording fees incident to such filing, registration and recording, and all expenses incident to the preparation, execution and acknowledgment of the documents described in subparagraph (2), and all federal or state fees and other similar fees, duties, imposts, assessments and charges arising out of or in connection with the execution and delivery of the Series 2023 Bond and the Collateral Documents and the documents described in subparagraph (2).

(e) Additional Agreements. The Borrower covenants to comply with all representations, covenants, conditions and agreements, if any, set forth in Appendix C hereto.

(f) Financial Information. This Section 2.3(f) supplements, and is not intended to limit, the requirements in Section 2.3(e) of the Original Resolution. The Borrower agrees that for each Fiscal Year it shall furnish to the DNRC and the DEQ, promptly when available, in addition to those matters specified in Section 2.3(e) of the Original Resolution:

(1) the preliminary budget for the System, with items for the 2023 Project shown separately; and

(2) when adopted, the final budget for the System, with items for the 2023 Project shown separately.

(g) Project Accounts. The Borrower shall maintain Project accounts in accordance with generally accepted government accounting standards, and as separate accounts, as required by Section 602(b)(9) of the Clean Water Act.

(h) Records. After reasonable notice from the EPA or the DNRC, the Borrower shall make available to the EPA or the DNRC such records as the EPA or the DNRC reasonably requires to review and determine compliance with the Clean Water Act, as provided in Section 75-5-1113(1)(d) of the State Act.

(i) Compliance with Clean Water Act. The Borrower has complied and shall comply with all conditions and requirements of the Clean Water Act pertaining to the

2023 Loan and the 2023 Project and shall maintain sufficient financial, managerial and technical capability to continue to effect such compliance.

(j) Program Covenant. The Borrower agrees that neither it nor any “related person” to the Borrower (within the meaning of Section 147(a)(2) of the Code) shall, whether pursuant to a formal or informal arrangement, acquire bonds issued by the State under the Indenture in an amount related to the amount of the Series 2023 Bond.

Section 2.4 Covenants Relating to the Tax-Exempt Status of the State Bonds.

(a) The Borrower covenants and agrees that it will not use or permit to be used any of the proceeds of the Series 2023 Bond or any other funds of the Borrower in respect of the 2023 Project or the Series 2023 Bond, directly or indirectly, in a manner that would cause, or take any other action that would cause, any State Bond to be an “arbitrage bond” within the meaning of Section 148 of the Code or would otherwise cause the interest on the State Bonds to be included in gross income for purposes of federal income taxation.

(b) The Borrower agrees that it will not enter into, or allow any “related person” (as defined in Section 147(a)(2) of the Code) to enter into, any arrangement, formal or informal, for the purchase of the State Bonds or any other obligations of the DNRC in an amount related to the amount of the 2023 Loan or the portion of the 2023 Loan derived directly or indirectly from proceeds of the State Bonds or that would otherwise cause any State Bond to be an “arbitrage bond” within the meaning of Section 148 of the Code.

(c) The Borrower shall not use or permit the use of the 2023 Project directly or indirectly in any trade or business carried on by any Person that is not a Governmental Unit. For the purpose of this subparagraph, use as a member of the general public (within the meaning of the Regulations) shall not be taken into account and any activity carried on by a Person other than a natural person shall be treated as a trade or business.

(d) Any portion of the 2023 Project being refinanced or the cost of which is being reimbursed was acquired by and is now and shall, during the term of the 2023 Loan, be owned by the Borrower and not by any other Person. Any portion of the 2023 Project being financed shall be acquired by and shall, during the term of the 2023 Loan, be owned by the Borrower and not by any other Person. Notwithstanding the previous two sentences, the Borrower may transfer the 2023 Project or a portion thereof to another Governmental Unit which is also a Public Entity if such transfer is otherwise permitted under the Resolution and if such organization agrees with the DNRC to comply with Section 2.3(h), Section 2.3(i) and Section 2.4 of this Supplemental Resolution and if the DNRC receives an Opinion of Bond Counsel that such transfer will not violate the State Act or the Clean Water Act or adversely affect the exclusion of interest on the State Bonds from gross income or purposes of federal income taxation. In addition, except as otherwise provided in the Resolution or in any Collateral Documents, the Borrower may sell or otherwise dispose of any portion of the 2023 Project which has become obsolete

or outmoded or is being replaced or for other reasons is not needed by the Borrower or beneficial to the general public or necessary to carry out the purposes of the Clean Water Act.

(e) At the Closing of the 2023 Loan, the DNRC will, if necessary to obtain the Opinion of Bond Counsel described in Section 7.05(a) of the Indenture, deliver to the Borrower instructions concerning compliance by the Borrower with the arbitrage rebate requirements of Section 148 of the Code (the "Arbitrage Rebate Instructions"). The Borrower shall comply with the Arbitrage Rebate Instructions, if any, delivered to it by the DNRC at Closing, as such Instructions may be amended or replaced by the DNRC from time to time. The Arbitrage Rebate Instructions may be amended or replaced by new Arbitrage Rebate Instructions delivered by the DNRC and accompanied by an Opinion of Bond Counsel to the effect that the use of said amended or new Arbitrage Rebate Instructions will not adversely affect the excludability of interest on the State Bonds or any Additional State Bonds (except State Bonds the interest on which the State did not intend to be excluded from gross income for federal income tax purposes) from gross income of the recipients thereof for federal income tax purposes.

(f) The Borrower agrees that during the term of the 2023 Loan it will not contract with or permit any Private Person to manage the 2023 Project or any portion thereof except according to a written management contract and upon delivery to the DNRC of an Opinion of Bond Counsel to the effect that the execution and delivery of such management contract will not violate the State Act or the Clean Water Act or adversely affect the exclusion of interest on State Bonds from gross income for purposes of federal income taxation.

(g) The Borrower may not lease the 2023 Project or any portion thereof to any Person other than a nonexempt Person which agrees in writing with the Borrower and the State not to cause any default to occur under the Resolution; provided the Borrower may lease all or any portion of the 2023 Project to a nonexempt Person pursuant to a lease which in the Opinion of Bond Counsel delivered to the DNRC will not cause the interest on the State Bonds to be included in gross income for purposes of federal income taxation.

(h) The Borrower shall not change the use or nature of the 2023 Project if (i) such change will violate the Clean Water Act, or (ii) so long as the State Bonds are outstanding unless, in the Opinion of Bond Counsel delivered to the DNRC, such change will not result in the inclusion in gross income of interest on the State Bonds for federal income tax purposes.

Section 2.5 Maintenance of System; Liens. The Borrower shall maintain the System, including the 2023 Project, in good condition and make all necessary renewals, replacements, additions, betterments and improvements thereto. The Borrower shall not grant or permit to exist any lien on the 2023 Project or any other property making up part of the System, other than liens securing Debt where a parity or senior lien secures the Series 2023 Bond; provided that this Section 2.5 shall not be deemed to be violated if a mechanic's or contractor's lien is filed against any such property so long as the

Borrower uses its best efforts to obtain the discharge of such lien and promptly reports to the DNRC the filing of such lien and the steps it plans to take and does take to discharge of such lien.

Section 2.6 Maintenance of Existence; Merger, Consolidation, Etc.; Disposition of Assets. The Borrower shall maintain its corporate existence, except that it may consolidate with or merge into another Governmental Unit or permit one or more Governmental Units to consolidate with or merge into it or may transfer all or substantially all of its assets to another Governmental Unit and then dissolve if the surviving, resulting or transferee entity (if other than the Borrower) (i) is a Public Entity and (ii) assumes in writing all of the obligations of the Borrower under the Resolution, the Series 2023 Bond and the Collateral Documents, and (a) such action does not result in any default in the performance or observance of any of the terms, covenants or agreements of the Borrower under the Resolution, the Series 2023 Bond and the Collateral Documents, (b) such action does not violate the State Act or the Clean Water Act and does not adversely affect the exclusion of interest on the Series 2023 Bond or the State Bonds from gross income for federal income tax purposes and (c) the Borrower delivers to the DNRC on the date of such action an Opinion of Bond Counsel that such action complies with this Section 2.6.

Other than pursuant to the preceding paragraph, the Borrower shall not transfer the System or any portion thereof to any other Person, except for property which is obsolete, outmoded, worn out, is being replaced or otherwise is not needed for the operation of the System, unless the provisions of (a) and (b) of the preceding paragraph are satisfied and the Borrower delivers to the DNRC an Opinion of Bond Counsel to that effect and, in addition, the DNRC consents to such transfer.

ARTICLE III

USE OF PROCEEDS; THE 2023 PROJECT

Section 3.1 Use of Proceeds. The Borrower shall apply the proceeds of the 2023 Loan solely as follows:

(a) The Borrower shall apply the proceeds of the 2023 Loan solely to the financing, refinancing or reimbursement of a portion of the costs of the 2023 Project, to fund deposits to the Reserve Account, and to pay costs of issuance of the Series 2023 Bond, as set forth in Appendix A hereto and this Section 3.1. The 2023 Loan will be disbursed in accordance with Article IV hereof and Article VII of the Indenture. If the 2023 Project has not been completed prior to Closing, the Borrower shall, as quickly as reasonably possible, complete the 2023 Project and expend proceeds of the 2023 Loan for the purposes described in this Section 3.1(a).

(b) No portion of the proceeds of the 2023 Loan shall be used to reimburse the Borrower for costs paid prior to the date of adoption of this Supplemental Resolution of a Project the construction or acquisition of which occurred or began earlier than March 7, 1985. In addition, if any proceeds of the 2023 Loan are to be used to reimburse the

Borrower for Project costs paid prior to the date of adoption of this Supplemental Resolution, the Borrower shall have complied in respect of such expenditures with the requirements of Section 1.150-2 of the Regulations, as amended or any successor regulation thereto.

(c) Any Debt to be refinanced with proceeds of the 2023 Loan was incurred after March 7, 1985, or with respect to a Project the construction or acquisition of which began after March 7, 1985. No proceeds of the 2023 Loan shall be used for the purpose of refinancing an obligation the interest on which is exempt from federal income tax or excludable from gross income for purposes of federal income taxation unless the DNRC has received an Opinion of Bond Counsel, satisfactory to it, to the effect that such refinancing will not adversely affect the exclusion of interest on the State Bonds from gross income for purposes of federal income taxation.

Section 3.2 The 2023 Project. Set forth in Appendix A to this Supplemental Resolution is a description of the 2023 Project, which describes the property which has been or is to be acquired, installed, constructed or improved and the other activities, if any to be funded from the 2023 Loan (the 2023 Project may consist of more than one facility or activity), and an estimated budget relating to the 2023 Project. The 2023 Project may be changed and the description thereof in Appendix A may be amended from time to time by the Borrower but only after delivery to the DNRC of the following:

(a) A certificate of the Borrower setting forth the amendment to Appendix A and stating the reason therefor, including statements whether the amendment would cause an increase or decrease in the cost of the 2023 Project, an increase or decrease in the amount of proceeds of the 2023 Loan which will be required to complete the 2023 Project and whether the change will materially accelerate or delay the construction schedule for the 2023 Project;

(b) A written consent to such change in the 2023 Project by an Authorized DNRC Officer;

(c) An Opinion or Opinions of Bond Counsel stating that the 2023 Project, as constituted after such amendment, is, and was at the time the State Bonds were issued, eligible for financing under the State Act and is, and was at the time the Series 2023 Bond was issued, eligible for financing under the Act, such amendment will not violate the State Act or the Act and such amendment will not adversely affect the exclusion of interest on the State Bonds or the Series 2023 Bond from gross income for purposes of federal income taxation. Such an Opinion of Bond Counsel shall not be required for amendments which do not affect the type of facility to be constructed or activity to be financed.

The Borrower acknowledges and agrees that an increase in the principal amount of the 2023 Loan may be made only upon an application to the DEQ, the DNRC and the Trustee, in such form as the DEQ shall specify, which is approved by the DEQ and the DNRC, in their sole and absolute discretion, and adoption by the governing body of the Borrower of a Supplemental Resolution authorizing the additional loan and delivery of

written certifications by officers of the Borrower to the DEQ, the DNRC and the Trustee to the effect that all representations and covenants contained in this Supplemental Resolution as it may be so amended or supplemented are true as of the date of closing of the additional loan and compliance with applicable tests for the incurrence of such debt. No assurance can be given that any additional loan funds will be available under the Program at the time of any such application or thereafter. The Borrower acknowledges and agrees that neither the DEQ, the DNRC, the Trustee nor any of their agents, employees or representatives shall have any liability to the Borrower and have made no representations to the Borrower as to the sufficiency of the 2023 Loan to pay costs of the 2023 Project or as to the availability of additional funds under the Program to increase the principal amount of the 2023 Loan.

Section 3.3 2023 Project Representations and Covenants. The Borrower hereby represents to and covenants with the DNRC that:

(a) all construction of the 2023 Project has complied and will comply with all federal and state standards, including, without limitation, EPA regulations and standards;

(b) all future construction of the 2023 Project will be done only pursuant to fixed price construction contracts, and the Borrower shall obtain a performance and payment bond from the contractor for each construction contract in the amount of 100% of the construction price and ensure that such bond is maintained until construction is completed to the Borrower's, the DNRC's and the DEQ's satisfaction;

(c) all future construction of the 2023 Project will be done in accordance with plans and specifications on file with the DNRC and the DEQ, provided that changes may be made in such plans and specifications with the written consent of an Authorized DNRC Officer and the DEQ;

(d) all laborers and mechanics employed by contractors and subcontractors on the 2023 Project have been and will be paid wages at rates not less than those prevailing on projects of a character similar in the locality as determined by the United States Secretary of Labor in accordance with subchapter IV of chapter 31 of title 40, United States Code;

(e) the iron and steel products used in the 2023 Project comply with the "American Iron and Steel" requirements of Section 436 of the Consolidated Appropriations Act of 2014 (P.L. 113-76), as those requirements are further interpreted by applicable EPA guidance;

(f) in the event the 2023 Project is required to comply with the provisions of BABA (defined below), all iron and steel, manufactured products, and construction materials used in the 2023 Project are produced in the United States in compliance with and within the meaning of the provisions of the Build America, Buy America Act ("BABA") of the Infrastructure Investment and Jobs Act (P.L. 117-58, div. G, title IX, Nov. 15, 2021, 135 Stat. 1294, as amended by P.L. 117-67, div. B, title II, §10254, Aug.

9, 2022, 136 Stat. 1502, as further amended), such provisions being at Sec. 70901 et seq. of the Infrastructure Investment and Jobs Act, except to the extent waivers to the requirements of BABA acceptable to the DEQ have been granted;

(g) the 2023 Project is a project of the type permitted to be financed under the Act, the State Act and the Program and Title VI of the Clean Water Act; and

(h) the Borrower will undertake the 2023 Project promptly after the Closing and will cause the 2023 Project to be completed as promptly as practicable with all reasonable dispatch, except only as completion may be delayed by a cause or event not reasonably within the control of the Borrower; it is estimated by the Borrower that the 2023 Project will be substantially completed by December 31, 2024.

Section 3.4 Completion or Cancellation or Reduction of Costs of the 2023 Project.

(a) Upon completion of the 2023 Project, the Borrower shall deliver to the DNRC a certificate stating that the 2023 Project is complete and stating the remaining amount, if any, of the Committed Amount. If Appendix A describes two or more separate projects as making up the 2023 Project, a separate completion certificate shall be delivered for each.

(b) If all or any portion of the 2023 Project is cancelled or reduced or its costs are reduced or for any other reason the Borrower will not require the full Committed Amount, the Borrower shall promptly notify the DNRC in writing of such fact and the amount of the Committed Amount that will not be needed.

ARTICLE IV

THE 2023 LOAN

Section 4.1 The 2023 Loan; Disbursement of 2023 Loan.

(a) The DNRC has agreed to lend to the Borrower, from time to time as the requirements of this Section 4.1 are met, an amount up to \$420,000 (the "Committed Amount") for the purposes of financing, refinancing, or reimbursing the Borrower for a portion of the costs of the 2023 Project, funding deposits to the Reserve Account, and paying costs of issuance of the Series 2023 Bond; provided the DNRC shall not be required to disburse any proceeds of the 2023 Loan to the Borrower after December 31, 2024. The Committed Amount may be reduced as provided in Sections 3.2 and 3.4 of this Supplemental Resolution.

(b) The DNRC intends to disburse the 2023 Loan through the Trustee. In consideration of the issuance of the Series 2023 Bond by the Borrower, the DNRC shall make, or cause the Trustee to make, a disbursement of all or a portion of the 2023 Loan upon receipt of the following documents:

(1) an Opinion of Bond Counsel as to the validity and enforceability of the Series 2023 Bond and the security therefor and stating in effect that interest on the Series 2023 Bond is not includable in gross income of the owner thereof for purposes of federal income taxation, in form and substance satisfactory to the DNRC;

(2) the Series 2023 Bond, fully executed and authenticated;

(3) a certified copy of the Original Resolution and this Supplemental Resolution;

(4) any other security instruments or documents required by the DNRC or DEQ as a condition to their approval of the 2023 Loan;

(5) if all or part of a Loan is being made to refinance a Project or reimburse the Borrower for the costs of a Project paid prior to the Closing, evidence, satisfactory to the DNRC and the Bond Counsel referred to in subparagraph (1) above, (A) that the acquisition or construction of the Project was begun no earlier than March 7, 1985 or the debt was incurred no earlier than March 7, 1985, (B) of the Borrower's title to the Project, (C) of the costs of such Project and that such costs have been paid by the Borrower and (D) if such costs were paid before adoption of this Supplemental Resolution that the Borrower has complied with Section 1.150-2 of the Regulations;

(6) the items required by the Indenture for the portion of the 2023 Loan to be disbursed at Closing; and

(7) such other certificates, documents and other information as the DNRC, the DEQ or Bond Counsel may require (including any necessary arbitrage rebate instructions).

(c) In order to obtain a disbursement of a portion of the 2023 Loan to pay costs of the 2023 Project, the Borrower shall submit to the DNRC and the Trustee a signed request for disbursement on the form prescribed by the DNRC, with all attachments required by such form. The Borrower may obtain disbursements only for costs which have been legally incurred and are due and payable. All Loan disbursements will be made to the Borrower only upon proof that cost was incurred.

(d) The Borrower shall not be entitled to, and the DNRC shall have no obligation to make, any advance of any amounts under the 2023 Loan until such time as the Borrower shall have set aside and funded the Reserve Account in an amount then required to satisfy the Reserve Requirement.

(e) The Borrower shall submit the request for the advance of any amounts under the 2023 Loan in the form required by the DNRC so that it is received in sufficient time for the DNRC to process the information by the date desired by the Borrower for the making of the advance.

(f) If all or a portion of the 2023 Loan is made to reimburse a Borrower for Project costs paid by it prior to Closing, the Borrower shall present at Closing the items required by Section 4.1(b) of this Supplemental Resolution relating to such costs. The Trustee shall disburse such amounts to the Borrower pursuant to a disbursement schedule complying with the requirements of the Clean Water Act established by the DNRC and the Borrower at the Closing.

(g) Notwithstanding anything herein to the contrary, the Trustee shall not be obligated to disburse the 2023 Loan any faster or to any greater extent than it has available EPA Capitalization Grants, Bond proceeds and other amounts available therefor in the Revolving Fund. The DNRC shall not be required to do “overmatching” pursuant to Section 5.04(b) of the Indenture, but may do so in its discretion. The Borrower acknowledges that if 2023 Project costs are incurred faster than the Borrower projected at Closing, there may be delays in making 2023 Loan disbursements for such costs because of the schedule under which EPA makes EPA Capitalization Grant money available to the DNRC. The DNRC will use its reasonable best efforts to obtain an acceleration of such schedule if necessary.

(h) Upon making each 2023 Loan disbursement, the Trustee shall note such disbursement on Schedule A to the Series 2023 Bond.

(i) The Borrower agrees that it will deposit in the Reserve Account upon receipt thereof of any proceeds of the 2023 Loan borrowed for the purpose of increasing the balance in the Reserve Account to the Reserve Requirement. The Borrower further acknowledges and agrees that any portions of the 2023 Loan representing capitalized interest shall be advanced only on Payment Dates and shall be transferred by the Trustee on the Payment Date directly to the Revenue Bond Account. The amount of any such transfer shall be a credit against the interest payments due on the Series 2023 Bond and interest thereon shall accrue only from the date of transfer.

(j) Compliance by the Borrower with its representations, covenants and agreements contained in the Original Resolution, this Supplemental Resolution and the Collateral Documents shall be a further condition precedent to the disbursement of the 2023 Loan in whole or in part. The DNRC and the Trustee, in their sole and absolute discretion, may make one or more disbursements, in whole or in part, notwithstanding such noncompliance, and without liability to make any subsequent disbursement of the 2023 Loan.

Section 4.2 Commencement of Loan Term. The Borrower's obligations under this Supplemental Resolution and the Collateral Documents shall commence on the date hereof unless otherwise provided in this Supplemental Resolution. However, the obligation to make payments under Article V hereof shall commence only upon the first disbursement by the Trustee of the 2023 Loan proceeds.

Section 4.3 Termination of Loan Term. The Borrower's obligations under this Supplemental Resolution and the Collateral Documents in respect of the Series 2023 Bond shall terminate upon payment in full of all amounts due under the Series 2023

Bond and this Supplemental Resolution; provided, however, that the covenants and obligations provided in Article VI and Section 10.3 of this Supplemental Resolution shall survive the termination of this Supplemental Resolution.

Section 4.4 Loan Closing Submissions. On or prior to the Closing, the Borrower will have delivered to the DNRC and the Trustee the closing submissions required by Section 7.05 of the Indenture.

ARTICLE V

REPAYMENT OF 2023 LOAN

Section 5.1 Repayment of 2023 Loan. The Borrower shall repay the amounts lent to it pursuant to Section 4.1 hereof in accordance with this Section 5.1. The Loan Repayments, the Administrative Expense Surcharge and the Loan Loss Reserve Surcharge shall be due on each Payment Date, as follows:

(1) interest, Administrative Expense Surcharge and Loan Loss Reserve Surcharge on the outstanding principal balance of the 2023 Loan shall be payable on each Payment Date, beginning on January 1, 2024 and concluding on July 1, 2043; and

(2) the principal of the 2023 Loan shall be payable on each Payment Date, beginning on January 1, 2024 and concluding on July 1, 2043, and the amount of each principal payment shall be calculated on the basis of substantially level debt service at an interest rate of 2.50% per annum; provided that principal of the 2023 Loan is payable only in amounts that are multiples of \$1,000.

The payments of principal, interest, Administrative Expense Surcharge and Loan Loss Reserve Surcharge on the 2023 Loan shall be due as described above and on the dates and in the amounts set forth in Schedule B to the Series 2023 Bond, as such Schedule B shall be modified from time to time as provided in this Section 5.1 and below. Schedule B will first be attached to the Series 2023 Bond at Closing. The portion of each Loan Repayment consisting of principal, interest, Administrative Expense Surcharge and Loan Loss Reserve Surcharge shall be set forth in Schedule B to the Series 2023 Bond. Upon each disbursement of 2023 Loan amounts to the Borrower pursuant to Section 4.1 hereof, the Trustee shall enter or cause to be entered the amount advanced on Schedule A to the Series 2023 Bond, under "Advances" and the total amount advanced under Section 4.1, including such disbursement, under "Total Amount Advanced."

Interest and Administrative Expense Surcharge and Loan Loss Reserve Surcharge on such advance shall accrue from the date the advance is made and shall be payable on each Payment Date thereafter. Once the completion certificate for the 2023 Project has been prepared and delivered to the DNRC pursuant to Section 3.4 of this Supplemental Resolution, the Trustee shall revise Schedule B to the Series 2023

Bond in accordance with this Section 5.1 and the Trustee shall send a copy of such Schedule B to the Borrower within one month after delivery of the completion certificate.

Past-due Loan Repayments, Administrative Expense Surcharge, and Loan Loss Reserve Surcharge shall bear interest at the rate of ten percent (10.00%) per annum, until paid.

Any payment of principal, interest, Administrative Expense Surcharge, and Loan Loss Reserve Surcharge under this Section 5.1 shall be credited against the same payment obligation under the Series 2023 Bond.

Section 5.2 Additional Payments. The Borrower shall also pay, within 30 days after receipt of a bill therefor, from any legally available funds therefor, including proceeds of the 2023 Loan, all reasonable expenses of the DNRC and the Trustee in connection with the 2023 Loan, the Collateral Documents and the Series 2023 Bond, including, but not limited to:

(a) the cost of reproducing this Supplemental Resolution, the Collateral Documents and the Series 2023 Bond;

(b) the fees and disbursements of Bond Counsel and any counsel utilized by the DNRC and the Trustee in connection with the 2023 Loan, this Supplemental Resolution, the Collateral Documents and the Series 2023 Bond and the enforcement thereof; and

(c) all taxes and other governmental charges in connection with the execution and delivery of the Collateral Documents or the Series 2023 Bond, whether or not the Series 2023 Bond is then outstanding, including all recording and filing fees relating to the Collateral Documents and the pledge of the State's right, title and interest in and to the Series 2023 Bond, the Collateral Documents and this Supplemental Resolution and all expenses, including attorneys' fees, relating to any amendments, waivers, consents or collection or enforcement proceedings pursuant to the provisions hereof or thereof.

Section 5.3 Prepayments. The Borrower may not prepay all or any part of the outstanding principal amount of the Series 2023 Bond unless (i) it obtains the prior written consent of the DNRC thereto, and (ii) no Loan Repayment or Administrative Expense Surcharge or Loan Loss Reserve Surcharge is then delinquent. Any prepayment permitted by the DNRC must be accompanied by payment of accrued interest, Administrative Expense Surcharge, and Loan Loss Reserve Surcharge to the date of prepayment on the amount of principal prepaid. If the Series 2023 Bond is prepaid in part pursuant to this Section 5.3, such prepayments shall be applied to principal payments in inverse order of maturity or, if the DNRC determines in its discretion, the remaining principal amount following such prepayment will be reamortized over the remaining term of the Series 2023 Bond.

Section 5.4 Obligations of Borrower Unconditional. The obligations of the Borrower to make the payments required by this Supplemental Resolution and the Series 2023 Bond and to perform its other agreements contained in this Supplemental Resolution, the Series 2023 Bond and Collateral Documents shall be absolute and unconditional, except as otherwise provided herein or in such documents. The Borrower (a) shall not suspend or discontinue any payments provided for in this Supplemental Resolution and the Series 2023 Bond, (b) shall perform all its other agreements in this Supplemental Resolution, the Series 2023 Bond and the Collateral Documents and (c) shall not terminate this Supplemental Resolution, the Series 2023 Bond or the Collateral Documents for any cause, including any acts or circumstances that may constitute failure of consideration, destruction of or damage to the 2023 Project or the System, commercial frustration of purpose, any dispute with the DNRC or the EPA, any change in the laws of the United States or of the State or any political subdivision of either or any failure of the DNRC to perform any of its agreements, whether express or implied, or any duty, liability or obligation arising from or connected with this Supplemental Resolution. Provided, however, if the 2023 Loan is not made and no funds are disbursed to the Borrower, the Borrower may terminate this Supplemental Resolution, subject to Section 4.3 hereof.

Section 5.5 Limited Liability. All payments of principal of and interest on the 2023 Loan and other payment obligations of the Borrower hereunder and under the Series 2023 Bond shall be special, limited obligations of the Borrower payable solely out of the Net Revenues and shall not, except at the option of the Borrower and as permitted by law, be payable out of any other revenues of the Borrower. The obligations of the Borrower under this Supplemental Resolution and the Series 2023 Bond shall never constitute an indebtedness of the Borrower within the meaning of any State constitutional provision or statutory or charter limitation and shall never constitute or give rise to a pecuniary liability of the Borrower or a charge against its general credit or taxing power. The taxing powers of the Borrower are not pledged to pay principal of or interest on the Series 2023 Bond, and no funds or property of the Borrower other than the Net Revenues may be required to be used to pay principal of or interest on the Series 2023 Bond.

ARTICLE VI

INDEMNIFICATION OF DNRC AND DEQ

The Borrower shall, to the extent permitted by law, indemnify and save harmless the DNRC and the DEQ and their officers, employees and agents (each an "Indemnified Party" or, collectively, the "Indemnified Parties") against and from any and all claims, damages, demands, expenses, liabilities and losses of every kind asserted by or on behalf of any Person arising out of the acts or omissions of the Borrower or its employees, officers, agents, contractors, subcontractors, or consultants in connection with or with regard or in any way relating to the condition, use, possession, conduct, management, planning, design, acquisition, construction, installation or financing of the 2023 Project. The Borrower shall also, to the extent permitted by law, indemnify and

Section 7.2 Assignment by DNRC. The DNRC will pledge its rights under and interest in this Supplemental Resolution, the Series 2023 Bond and the Collateral Documents (except to the extent otherwise provided in the Indenture) as security for the payment of the State Bonds and may further assign such interests to the extent permitted by the Indenture, without the consent of the Borrower.

Section 7.3 State Refunding Bonds. In the event the State Bonds are refunded by bonds which are not State Bonds, all references in the Resolution to State Bonds shall be deemed to refer to the refunding bonds and any bonds of the State on a parity with such refunding bonds (together, the "Refunding Bonds") or, in the case of a crossover refunding, to the State Bonds and the Refunding Bonds.

ARTICLE VIII

THE SERIES 2023 BOND

Section 8.1 Net Revenues Available. The Borrower is authorized to charge just and equitable rates, charges and rentals for all services directly or indirectly furnished by the System, and to pledge and appropriate to the Series 2023 Bond the Net Revenues to be derived from the operation of the System, including improvements, betterments or extensions thereof hereafter constructed or acquired. The Net Revenues to be produced by such rates, charges and rentals during the term of the Series 2023 Bond are expected to be more than sufficient to pay the principal and interest when due on the Bonds, and to create and maintain reasonable reserves therefor and to provide an adequate allowance for replacement and depreciation, as prescribed herein.

Section 8.2 Issuance and Sale of the Series 2023 Bond. The Council has investigated the facts necessary and hereby finds, determines and declares it to be necessary and desirable for the Borrower to issue the Series 2023 Bond to evidence the 2023 Loan. The Series 2023 Bond is issued to the DNRC without public sale pursuant to Montana Code Annotated, Section 7-7-4433.

Section 8.3 Terms. The Series 2023 Bond shall be issued in the maximum principal amount equal to the original Committed Amount, shall be issued as a single, fully registered bond numbered R-1, shall be dated as of the date of delivery to the DNRC, and shall bear interest at the rate charged by the DNRC on the 2023 Loan. The principal of and interest, Administrative Expense Surcharge, and Loan Loss Reserve Surcharge on the Series 2023 Bond shall be payable on the same dates and in the same amounts as principal and interest of the Loan Repayments are payable. Advances of principal of the Series 2023 Bond shall be deemed made when advances of the 2023 Loan are made under Section 4.1, and such advances shall be payable in accordance with Schedule B to the Series 2023 Bond, as may be revised by the DNRC from time to time in accordance with Section 5.1. The Series 2023 Bond is secured by the Reserve Account.

The Borrower may prepay the Series 2023 Bond, in whole or in part, only upon the terms and conditions under which it can prepay the 2023 Loan under Section 5.3.

Section 8.4 Negotiability, Transfer and Registration. The Series 2023 Bond shall be fully registered as to both principal and interest, and shall be initially registered in the name of and payable to the DNRC, and shall be dated the date of delivery. While so registered, principal of and interest on the Series 2023 Bond shall be payable to the DNRC at the Office of the Department of Natural Resources and Conservation, 1539 Eleventh Avenue, Helena, Montana 59620 or such other place as may be designated by the DNRC in writing and delivered to the Borrower. The Series 2023 Bond shall be negotiable, subject to the provisions for registration and transfer contained in this Section 8.4. No transfer of the Series 2023 Bond shall be valid unless and until (1) the holder, or its duly authorized attorney or legal representative, has executed the form of assignment appearing on the Series 2023 Bond, and (2) the City Finance Director of the Borrower or successors, as Registrar, has duly noted the transfer on the Series 2023 Bond and recorded the transfer on the registration books of the Registrar. The Registrar may, prior to noting and recording the transfer, require appropriate proof of the transferor's authority and the genuineness of the transferor's signature. The Borrower shall be entitled to deem and treat the Person in whose name the Series 2023 Bond is registered as the absolute owner of the Series 2023 Bond for all purposes, notwithstanding any notice to the contrary, and all payments to the registered holder shall be valid and effectual to satisfy and discharge the Borrower's liability upon such Series 2023 Bond to the extent of the sum or sums so paid.

Section 8.5 Execution and Delivery. The Series 2023 Bond shall be executed on behalf of the Borrower by the manual signatures of the Mayor and the City Clerk. Any or all of such signatures may be affixed at or prior to the date of delivery of the Series 2023 Bond. In the event that any of the officers who shall have signed the Series 2023 Bond shall cease to be officers of the Borrower before the Series 2023 Bond is issued or delivered, their signatures shall remain binding upon the Borrower. Conversely, the Series 2023 Bond may be signed by an authorized official who did not hold such office on the date of adoption of this Supplemental Resolution. The Series 2023 Bond shall be delivered to the DNRC, or its attorney or legal representative.

Section 8.6 Form. The Series 2023 Bond shall be prepared in substantially the form attached as Appendix B.

ARTICLE IX

SECURITY FOR THE SERIES 2023 BOND

The Series 2023 Bond is issued as an additional Bond under Sections 10.1 and 10.3 of the Original Resolution, and shall, with the Series 2021A Bond, the Series 2021B Bond, the Series 2021C Bond, and any additional Bonds hereafter issued under the provisions of Sections 10.1 through 10.3 of the Original Resolution, be equally and ratably secured by the provisions of the Resolution and payable out of the Net Revenues appropriated to the Revenue Bond Account of the Storm Water System Fund, without preference or priority, all as provided in the Resolution. The Series 2023 Bond is secured by the Reserve Account. Upon advancement of principal of the Series 2023 Bond, the City Finance Director of the Borrower shall transfer from proceeds of the Series 2023 Bond such amount or amounts to the Reserve Account to cause the balance therein to equal the Reserve Requirement with respect to the Series 2021A Bond and the Series 2023 Bond, treating such principal amount as outstanding. Upon each advance of the Series 2023 Bond, the deposit to the Reserve Account shall be sufficient to cause the balance in the Reserve Account to equal the Reserve Requirement in respect of the Series 2021A Bond and the principal amount of the Series 2023 Bond so advanced. No payment of principal or interest shall be made on any Subordinate Obligation if the Borrower is then in default in the payment of principal of or interest on any Bond or if there is a deficiency in the Operating Account or the Revenue Bond Account or the balance in the Reserve Account is less than the Reserve Requirement. The Borrower shall keep, perform and observe each and every one of its covenants and undertakings set forth in the Resolution for the benefit of the registered holders from time to time of the Series 2023 Bond.

ARTICLE X

TAX MATTERS

Section 10.1 Use of 2023 Project. The 2023 Project will be owned and operated by the Borrower and available for use by members of the general public on a substantially equal basis. The Borrower shall not enter into any lease, use or other agreement with any non-governmental person relating to the use of the 2023 Project or security for the payment of the Series 2023 Bond which might cause the Series 2023 Bond to be considered a "private activity bond" or "private loan bond" within the meaning of Section 141 of the Code.

Section 10.2 General Covenant. The Borrower covenants and agrees with the owners from time to time of the Series 2023 Bond that it will not take or permit to be taken by any of its officers, employees or agents any action which would cause the interest on the Series 2023 Bond to become includable in gross income for federal income tax purposes under the Code and the Regulations, and covenants to take any

and all actions within its powers to ensure that the interest on the Series 2023 Bond will not become includable in gross income for federal income tax purposes under the Code and the Regulations.

Section 10.3 Arbitrage Certification. The Mayor, City Finance Director, and City Clerk, being among the officers of the Borrower charged with the responsibility for issuing the Series 2023 Bond pursuant to this Supplemental Resolution, are authorized and directed to execute and deliver to the DNRC a certificate in accordance with the provisions of Section 148 of the Code, and Section 1.148-2(b) of the Regulations, stating that on the basis of facts, estimates and circumstances in existence on the date of issue and delivery of the Series 2023 Bond, it is reasonably expected that the proceeds of the Series 2023 Bond will be used in a manner that would not cause the Series 2023 Bond to be an “arbitrage bond” within the meaning of Section 148 of the Code and the Regulations.

Section 10.4 Arbitrage Rebate. The Borrower acknowledges that the Series 2023 Bond is subject to the rebate requirements of Section 148(f) of the Code. The Borrower covenants and agrees to retain such records, make such determinations, file such reports and documents and pay such amounts at such times as are required under said Section 148(f) and applicable Regulations to preserve the exclusion of interest on the Series 2023 Bond from gross income for federal income tax purposes, unless the Series 2023 Bond qualifies for the exception from the rebate requirement under Section 148(f)(4)(B) of the Code and no “gross proceeds” of the Series 2023 Bond (other than amounts constituting a “bona fide debt service fund”) arise during or after the expenditure of the original proceeds thereof.

Section 10.5 Information Reporting. The Borrower shall file with the Secretary of the Treasury, not later than August 15, 2023, a statement concerning the Series 2023 Bond containing the information required by Section 149(e) of the Code.

ARTICLE XI

CONTINUING DISCLOSURE

The Borrower understands and acknowledges that the DNRC is acquiring the Series 2023 Bond under the Program pursuant to which the State issues from time to time State Bonds to provide funds therefor. The Borrower covenants and agrees that, upon written request of the DNRC from time to time, the Borrower will promptly provide to the DNRC all information that the DNRC reasonably determines to be necessary or appropriate to offer and sell State Bonds or to provide continuing disclosure in respect of State Bonds, whether under Rule 15c2-12 (17 C.F.R. § 240.15c2-12) promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended, or otherwise. Such information shall include, among other things and if so requested, financial statements of the Borrower prepared in accordance with generally accepted accounting principles promulgated by the Financial Accounting Standards Board as modified in accordance with the governmental accounting standards promulgated by the Governmental Accounting Standards Board or as otherwise

provided under Montana law, as in effect from time to time (such financial statements to relate to a Fiscal Year or any period therein for which they are customarily prepared by the Borrower, and, if for a Fiscal Year and so requested by the DNRC, subject to an audit report and opinion of an accountant or government auditor, as permitted or required by the laws of the State). The Borrower will also provide, with any information so furnished to the DNRC, a certificate of the Mayor and the City Finance Director to the effect that, to the best of their knowledge, such information does not include any untrue statement of a material fact or omit to state any material fact required to be stated therein to make the statements made, in light of the circumstances under which they are made, not misleading.
