Dear Missoula County Planning Board:

I am a business owner of Midtown Missoula and I'm writing to request your support in favor of adopting the 2023 Missoula Midtown Master Plan as a Neighborhood Plan of the Our Missoula City Growth Policy 2035.

Our staff have participated in this community planning process and support this cohesive vision to guide the redevelopment of the Midtown neighborhoods.

The plan accurately incorporates the input of residents and businesses wanting better transportation circulation and bicycle/pedestrian crossings of the major Midtown arterials, more attainable housing availability, commercial redevelopment to support livability and commerce, and improved public spaces.

Please recommend the 2023 Missoula Midtown Master Plan is adopted by the City Council and thank you for your service.

Thank you for your consideration.

I particularly support the plan's

- *Suggestion to redesign the Brooks Street/Russell Street/South Avenue intersection to improve accessibility for all users*
- *Call to create more parks access in the Franklin to Fort neighborhood*
- *Call for advancing the build out of the greenway network for safer cycling in the district*

Please recommend the 2023 Missoula Midtown Master Plan is adopted by the City Council and thank you for your service.

Sincerely,
