Background and Alternatives Explored: The number of hotels/motels in the district increased when the district was expanded, and increasing the number of board members will increase representation of the board. Council resolution 8338 renewed the TBID in 2019 for ten years with a 5 member board. The TBID met on 8/8/20223 to recommend that City Council expand the board to include more members; all members voted in favor. MCA 7-12-1121 allows City Council to expand the size of a board by resolution.
