Dear Agent:

Missoula's Development Services identified you as being an agency that may have important comments regarding the proposed major subdivision, Icon Apartment Homes at Dougherty Ranch.

On March 22, 2023, Development Services posted the link for the updated 3rd Sufficiency Icon Apartment Homes at Dougherty Ranch submittal. We are requesting you review the link and provide comments. The purpose of this agency review is twofold:

- 1) For agencies to determine if the subdivision submittal packet has enough information or is sufficient for review;
- 2) For agencies to provide comments regarding the proposal on anything that should be addressed before the project is submitted for governing body review. Thus, it is important that you send us your comments or let us know if you have no comments.

You will have 12 working days from today, March 23, 2023, to review. You will have until the end of the day on **April 10th, 2023** to send comments directly to joseph.m.dehnert@imegcorp.com and copy DeGrandpreD@ci.missoula.mt.us. This

ensures that Development Services can meet their Sufficiency Review deadline of April 13th, 2023.

The link to the subdivision application for review is :

If there is anything we can do to facilitate your review, please reach out to us. Thank you in advance for your comments.
