Action Required:

Approve and authorize the Mayor to sign an agreement with Axon to enter a Master Services Agreement for Axon to provide body-worn cameras, vehicle cameras, interview room cameras as well as digital evidence management.

Recommended Motion(s):

I move the City Council: approve and authorize the Mayor to sign an agreement with Axon to enter a five-year agreement for Axon for body-worn cameras, vehicle cameras, interview room cameras and digital evidence management.

Timeline:

Committee discussion:	September 13, 2023
Council action (or sets hearing):	September 18, 2023
Public Hearing (if required):	n/a
Final Consideration	n/a
Deadline:	n/a

Background and Alternatives Explored:

Having previously entered into an agreement with Axon for our electronic control device, we have some infrastructure in place that will save some of the costs for the digital evidence management. This manufacturer is the only one that provides auto tagging for video and will automatically turn on when an electronic control device is used. There is also features for assisting prosecutors with their discovery processes that will save those offices time.

Financial Implications:

FY'24, \$116,628.84
FY'25, 26, 27, 28 - \$361,635.09 per year
