### 3.1 International Association of Machinist and Aerospace Workers (IAM) Union Contract – Vehicle Maintenance

Angela Simonson, chief human resource officer, is requesting that the committee approve and authorize the Mayor to sign a four-year collective bargaining agreement with the International Association of Machinists representing employees in the city's Fleet Services division.

Stacie Anderson inquired whether ranges were factored in when the budget was adopted, knowing that negotiations were still ongoing and several other contracts were yet to be finalized.

Ms. Simonson states that this is within the budget that has already been approved for fiscal year 2024. There are no budget amendments. The COLA that was negotiated for this team came to 4% year over year for the three additional years.
