Good Afternoon,

Please review the attached agency notification. The City of Missoula Community Planning, Development and Innovation is proposing an urgency interim ordinance to amend Title 20 Zoning Code. The amendments in the ordinance will comply with mandated outlined in the seven bills affecting zoning code recently passed by the Montana State Legislature and are effective on or before October 1, 2023. The City Council will hold a public hearing on **Monday, October 16, 2023.**

If you wish to provide comment for consideration by staff or council, please forward comments directly to me before 5:00 pm on October 16. Thank you.
