PREAMBLE

THIS COLLECTIVE BARGAINING AGREEMENT, made and entered into November 2023, by the MONTANA FEDERATION OF PUBLIC EMPLOYEES Wastewater Chemists Unit (hereinafter referred to as the "Federation") and the CITY OF MISSOULA (hereinafter referred to as the "Employer"), has as its purpose the promotion of harmonious relations between the Federation and the Employer; the establishment of an equitable and peaceful procedure for the resolution of differences; and the establishment of rates of pay, hours of work, and other conditions of employment.

ARTICLE 1-RECOGNITION

The Employer hereby recognizes the Federation as the exclusive bargaining representative for City of Missoula Wastewater Chemist employees but excluding the Superintendent, Treatment, Collection and Lab/pre-treatment supervisors, Clerical, Work Study, or Student Intern Employees and seasonal employees.

ARTICLE 2-MANAGEMENT RIGHTS

Any management rights not specifically relinquished herein shall be retained by the Employer. Management rights retained by the Employer shall include, but not be limited to those management rights established in Montana state law pursuant to Section 39-31-303, M.C.A. The rights established pursuant to Section 39-31-303, M.C.A., are as follows:

Public employees and their representatives shall recognize the prerogatives of public employers to operate and manage their affairs in such areas as, but not limited to:

- (1) direct employees;
- (2) hire, promote, transfer, assign, and retain employees;
- (3) relieve employees from duties because of lack of work or funds, or under conditions where continuation of such work is inefficient and non-productive;
- (4) maintain the efficiency of government operations;
- (5) determine the methods, means, job classifications, and personnel by which government operations are to be conducted;
- (6) take whatever actions may be necessary to carry out the missions of the agency in situations of emergency;
- (7) establish the methods and processes by which work is performed.

ARTICLE 3-FEDERATION SECURITY

Section 1. Employees are not required to join the Federation. Upon receipt of written authorization from an employee, the Employer agrees to deduct the regular monthly Federation dues of such employee from the employee's pay and remit such deduction to the Federation. The Federation shall notify the Employer in writing of any change in the amount of such regular membership dues to be deducted. Such designation by an employee shall be effective until specifically revoked in writing at any time by the individual employee in accordance with the Federation withdrawal policy.

Section 2. The Federation agrees to indemnify and hold the Employer harmless against any and all claims, suits, orders or judgments brought or issued against the City as a result of any action taken or not taken by the City under the provisions of this Article.

ARTICLE 4-FEDERATION RIGHTS

Section 1. Nondiscrimination No employee member of the Federation shall be discharged or discriminated against for upholding or asserting rights established pursuant to this Collective Bargaining Agreement.

Section 2. Visits by Federation representatives The Employer agrees that staff representatives of the Federation shall be permitted to come on the premises of the City Wastewater facility for the purpose of investigating and discussing grievances if the Federation representative first obtains a mutually agreeable time with the Resource Recovery Superintendent or their designated representative, so long as the visit by the

Federation representative does not, in any way, interfere with the efficient and normal operation of the Wastewater facilities and does not last any longer than one-half (1/2) hour on any individual work day.

Section 3. Employee Federation activities The Employer agrees that one City employee Federation steward may investigate and discuss grievances at the City of Missoula Wastewater facility provided that the investigation and discussion does not, in any way, interfere with the efficient and normal operation of the Wastewater facilities and does not last any longer than fifteen (15) minutes on any given individual workday.

Section 4. Employee at bargaining table The Employer agrees that one City employee who is a member of the Federation may have leave-with-pay to attend actual negotiating sessions with regard to collective bargaining agreements with the Employer, so long as the presence of the employee at the bargaining table does not require the City to provide a substitute worker at the job site for the employee who is attending collective bargaining negotiation sessions.

Section 5. Solicitation The Federation agrees that, except as set forth herein the Federation members shall not solicit membership in Federation activities during working hours.

Section 6. Posting Place The Federation shall be granted space on bulletin boards provided by the Employer, in order to post Federation material.

Section 7. Personnel Files Employees shall have the right to inspect their personnel files with Employer's Human Resources Department employees and shall be provided a copy of any material in their personnel files upon request. The first time that a request is made for a copy of a particular item in the employee's personnel file, the copy shall be made at City expense, if any additional copies are ever made of that item the employee shall pay the City the copying rate then in effect for those additional copies.

Section 8. Copies of the Agreement The Employer shall prepare and make available one (1) copy of this Agreement to the bargaining agent and one (1) copy to the Federation employee shop steward for use by the employees in the bargaining unit.

ARTICLE 5-HOURS OF WORK AND OVERTIME

Section 1. A workweek shall comprise the time period Sunday through Saturday. Eight (8) hours of work including two (2) fifteen (15) minute break periods near the middle of each half shift whenever feasible shall constitute a day's work. By mutual written agreement between the employer and the employee, an employee may work an alternative workweek schedule consisting of four ten-hour days or some other combination of hours. For any such mutually agreeable alternative forty-hour workweek consisting of workdays longer than eight hours in a day, the requirement to pay overtime for more than eight hours of work in a workday shall be waived. Work may be interrupted near the middle of the workday to allow for a one-half (1/2) hour lunch break without pay. Forty (40) hours of work during a workweek shall constitute a week's work. Statutory legal holiday pay shall be for eight hours per legal holiday, except that employees who are regularly scheduled to work more than eight hours per day shall receive the holiday benefit as set forth in Article 6, Section 2.

Section 2. Employees employed for a work week longer than forty (40) hours, shall receive either compensation for the overtime employment at the rate of 1 1/2 times the hourly wage rate at which employed excluding special allowances and fringe benefits, or compensatory time for overtime work over forty (40) hours within a work week at a rate of 1 1/2 times the number of extra overtime hours worked. The employee must declare in writing whether the employee desires overtime pay or compensatory time. This form has to be updated at least once every year however the declaration can be changed at any time. The department, however, can decide to pay the employee at the overtime rate instead of allowing compensatory time.

The employee may request to flex time within the week to avoid working over 40 hours. Such requests must be agreed upon by supervisor. All overtime must be approved by the supervisor before it is worked by an employee.

Section 3. Wastewater Chemists shall report for work each scheduled workday unless otherwise notified by the Employer. The Employer reserves the right to reschedule to a later shift during the same calendar day an employee who appears for a scheduled work shift. In such event, the employee who arrived for a scheduled shift shall receive two hours of call back pay at straight time.

Section 4. Employees called back to work on a regularly scheduled day off shall be guaranteed a minimum of four (4) hours pay. Employees called back to work on the same day that they have previously completed a day's work shall be guaranteed a minimum of two (2) hours' work and a minimum of two (2) hours' pay.

Employees called in early for work within two (2) hours of the commencement of their regularly scheduled shift may be required to continue working on into their regularly scheduled shift and shall receive overtime for any hours of work in excess of eight (8) hours during the workday. All call-back pay shall be paid at the overtime rate of pay.

Section 5. Whenever it becomes necessary to assign employees to remain at work to work overtime or when it becomes necessary to call back employees, the Employer shall assign employees according to ability to perform work, availability, and whenever possible on a voluntary basis. Overtime assignments will be distributed as equally as possible among those employees at work who are qualified to perform the work.

Section 6. This Article is intended to be construed only as a basis for overtime and shall not be construed as a guarantee of hours of work per day or per week. In the event there is a cutback in hours of work per day or per week, the cutback shall be handled in accordance with the layoff provisions of this Agreement.

Section 7. The Employer shall make a good faith effort to provide all employees with a minimum of one (1) designated weekend, consisting of Saturday and Sunday off each month. A designated weekend shall mean a weekend specified by the Employer as being the designated weekend for a particular month and such weekend shall be specified as being designated within thirty (30) calendar days prior to such designated weekend.

Section 8. The Employer shall provide employees ten (10) calendar days' notice of shift changes, except by mutual agreement of Employer and employee or in extraordinary circumstances. The Employer will also provide an explanation of the reasons for the shift change.

Section 9. Whenever an employee works more than two hours beyond their scheduled shift the Employer will provide a hot meal to the employee during the time period that the employee is working beyond the more than two (2) hours time period.

ARTICLE 6-LEGAL HOLIDAYS

Section 1. Employees shall be granted a day off with regular pay for each of the following holidays:

- (1) New Year's Day, January 1
 - (2) Martin Luther King, Jr. the third Monday in January
 - (3) President's Day, the third Monday in February
 - (4) Memorial Day, the last Monday in May
 - (5) Juneteenth National Freedom Day June 19
 - (6) Independence Day, July 4
 - (7) Labor Day, the first Monday in September
 - (8) Indigenous People's Day, the second Monday in October
 - (9) Veterans Day, November 11
 - (10) Thanksgiving Day, the fourth Thursday in November
 - (11) Christmas Day, December 25
 - (12) State General Election Day, in year's when state and national elections are conducted statewide
- Any day declared a state legal holiday for all state and local government political subdivisions by the Governor of the State of Montana; any day declared a legal holiday for all city government employees by City Council of the City of Missoula.

Section 2. Employees who are required to work on an actual or observed holiday shall be compensated at one and one-half times their regular hourly rate of pay and shall be eligible for a different day off. A day is understood as the number of hours that an employee is regularly scheduled to work. Full-time employees who regularly work more than 8 hours per day will receive Holiday Pay equal to the number of hours they are regularly scheduled to work for holidays on which they are scheduled to work.

Section 3. An employee shall be eligible for holiday pay if the employee is on the active payroll of the Employer and if the employee has worked their full regularly scheduled workday before or after the legal holiday unless they are excused by the Resource Recovery Superintendent authorizing vacation leave or the employee is sick.

Section 4. Holidays, including those allowed in lieu of the actual holidays occurring while an employee is on a paid sick leave or a paid vacation shall be earned by the employee and not charged as sick leave or vacation.

ARTICLE 7-VACATIONS

Section 1. Each regular full-time employee shall earn annual vacation leave credits from the first day of employment. For calculating vacation leave credit, 2,080 hours (52 weeks x 40 hours) shall equal 1 year. Vacation leave credits earned shall be credited at the end of each pay period. However, employees are not entitled to any vacation leave with pay until they have been continuously employed for a period of 6 calendar months.

Section 2. An employee may maintain (warehouse) but not accrue annual vacation leave credits while in a leave without pay status.

Section 3. Vacation leave credits are earned at a yearly rate calculated in accordance with the following schedule, which applies to the total years of an employee's employment with the City whether the employment is continuous or not. A working day equals eight (8) hours for the purpose of accumulating vacation leave credits. All requests for use of vacation time off must be made using the request for leave form designated by the Employer. Use of vacation time is subject to approval by the Employer.

<u>Years of Employment</u>	<u>Working Days Credit</u>	<u>Working Hours Credit</u>
1 day through 10 years	15	120
10 years through 15 years	18	144
15 years through 20 years	21	168
20 years on up	24	192

Section 4. The scheduling of vacations shall take place as follows: An annual vacation calendar shall be posted the first working day of January. Employees shall be given sixty (60) days to record their vacation request. If more than one (1) employee requests a particular period of time for their vacation and if, in the opinion of the Employer, only one (1) employee can be released during this period of time, the most senior employee shall be provided that time off. Such seniority rights on establishing a vacation period can only be implemented by an employee on one occasion and the next most senior employee's vacation date would be honored should there be a conflicting date; therefore an employee's choice of first vacation shall have precedent over a more senior employee's second vacation selection and a second vacation selection priority over a senior employee's third vacation selection. Vacation requests that are recorded following the sixty (60) day recording period will be handled on a "first come, first serve" basis, with the approval of the Employer.

Section 5. Absence from employment by reason of illness shall not be chargeable against unused vacation leave credits unless approved by the employee.

Section 6. Accumulation of vacation leave.

- (1) Annual vacation leave may be accumulated to a total not to exceed two times the maximum number of days earned annually as of the end of the first pay period of

the next calendar year. Excess vacation time is not forfeited if taken within 90 calendar days from the last day of the calendar year in which the excess was accrued.

- (2) An employee who terminates their employment for reason not reflecting discredit on the employee shall be entitled upon the date of such termination to cash compensation for unused vacation leave, assuming that the employee has worked the qualifying period set forth in Section 2-18-611, M.C.A.
- (3) However, if an employee transfers to another department or agency of the City, there shall be no cash compensation paid for unused vacation leave. In such a transfer, the receiving department or City agency assumes liability for vacation credits transferred with the employee.

Section 7. Other. It shall be unlawful for an employer to terminate or separate an employee from his employment in an attempt to circumvent the provisions of this Article.

ARTICLE 8-SICK LEAVE

Section 1. Each regular full-time employee shall earn sick leave credits from the first day of employment. For calculating sick leave credits, 2,080 hours (52 weeks x 40 hours) shall equal one (1) year. Sick leave credits shall be credited at the end of each pay period. Sick leave credits shall be earned at the rate of 12 working days for each year of service without restriction as to the number of working days that may be accumulated. A working day equals eight (8) hours for the purpose of accumulating sick leave credits. Employees are not entitled to be paid sick leave until they have been continuously employed ninety (90) days.

An employee may use sick leave credits for:

- Illness or non-work related injury of the employee.
- Illness, injury, or death in the employee's immediate family requiring the employee's personal attendance. Immediate family shall mean spouse or domestic partner, parents, grandparents, siblings, children or grandchildren of the employee or spouse of the employee, and all corresponding in-law relations.
- Quarantine for contagious disease control, provided that certification is obtained from the attending physician.
- Leave when the employer determines it is in the best interests of the department or work unit, and public health that the employee remain home while actively symptomatic of a contagious illness.
- Maternity related disability, including prenatal and postnatal care, birth, miscarriage, abortion, or other medical care for either the employee, child or spouse.
- Doctor or dental appointments for treatment of the employee's illness, injury, or preventive care. When possible, the employee's supervisor shall be notified at least 48 hours in advance.
- To attend or make arrangements for a funeral of a member of the employee's immediate family or, at the supervisor's discretion, another closely related individual, for a period of time not to exceed 10 consecutive working days.
- The placement of a child for adoption or foster care of a child.

Section 2. An employee may not accrue sick leave credits while in a leave-without-pay status.

Section 3. An employee who terminates employment with the City is entitled to a lump-sum payment equal to one-fourth of the pay attributed to the accumulated sick leave. The pay attributed to the accumulated sick leave shall be computed on the basis of the employee's salary or wage at the time they terminate their employment with the state, county, or city. Accrual of sick leave credits for calculating the lump-sum payment provided for in this subsection begins July 1, 1971. The payment therefor shall be the responsibility of the City wherein the sick leave accrues. However, no employee forfeits any sick leave rights or benefits they had accrued prior to July 1, 1971. However, where an employee transfers between departments or agencies within the City government they shall not be entitled to a lump-sum payment. In such a transfer, the receiving department or agency shall assume the liability for the accrued sick leave credits earned after July 1, 1971, and transferred with

the employee.

Section 4. Whenever the Human Resources Department, Resource Recovery Superintendent and Public Works Director have reason to believe that an individual employee might be abusing sick leave, they may request the employee claiming or using sick leave to substantiate their claim.

Section 5. Wastewater employees may use accumulated sick leave for a serious affliction of one of the employee's immediate family requiring the employee's presence; for attending the funeral of one of the employee's immediate family requiring the employee's presence; as well as for their own personal illnesses. The immediate family shall consist of spouse, children, parents, brother, sister, grandparents or relative in a like degree of the employee's spouse, or who has been a permanent member of the employee's household.

Section 6. Termination pay shall be paid on the next regularly scheduled payday after the date of termination.

Section 7. An employee who receives a lump-sum payment pursuant to this section and who is again employed by any agency shall not be credited with any sick leave for which the employee has previously been compensated.

Section 8. Abuse of sick leave is cause for dismissal and forfeiture of the lump-sum payments provided for in this section. Chronic, persistent, or patterned use of sick leave may be subject to progressive discipline.

Section 9. Any Wastewater employee intending to make proper use of approved sick leave shall notify the Resource Recovery Superintendent as soon as possible of the employee's need to make use of sick leave.

In all instances the employee making proper use of approved sick leave shall notify the Resource Recovery Superintendent or their designated representative by the beginning of the work shift on the day sick leave is intended to be requested, except in those instances where the employee becomes sick after the beginning of the work shift on the day sick leave is requested. Whenever an employee becomes sick after the beginning of the work shift on the day sick leave is requested, the employee shall have the responsibility to notify the Employer as soon as possible of their intent to use sick leave. Documentation of use of sick leave must be made in writing using the request for leave form designated by the Employer. Documentation must take place prior to the use of sick leave or as soon as possible upon return to work in the event of unplanned illness or injury.

Section 10. In the event that an employee on annual vacation leave becomes ill and the illness results in a delay in the commencement of a vacation or the cancellation of either a portion of or the remaining days of the scheduled vacation, if the employee immediately notifies the Resource Recovery Superintendent of the circumstances causing either the delay in the commencement of their vacation, or in the cancellation of either a portion of or the remaining days of the vacation, then the employee shall be afforded the right to use sick leave rather than vacation leave for the days affected upon furnishing the Employer with acceptable medical certification of illness if requested by the Resource Recovery Superintendent.

Section 11. There shall be no limit to the amount of sick leave accumulation during the course of an employee's service to the City.

Section 12. Employees requesting leave other than sick leave must first use:

- (1) any accumulated holiday time before using any accumulated compensatory time, and
- (2) any accumulated compensatory time before using vacation time off.

ARTICLE 9-OTHER LEAVES

The City agrees to provide the Chemist union members all the added leaves provided under Administrative Rule #4/Human Resource Policy Manual. Such leaves include, Military Leave, Jury Duty Leave, Public Office Leave, Volunteer Leave, Paid Parental Leave, Family Medical Leave, Donated Leave, Leave Without Pay, Education Leave and Training Leave. The Employer will agree to meet and confer should any such leaves during the term of this contract be removed or edited in a manner that removes a benefit for the employee.

ARTICLE 10-SENIORITY

Seniority means an employee's length of continuous service with their bargaining unit and shall be computed from the date the employee began continuous service in the department.

- (1) To be absent from the job due to layoffs will be considered lost time for the purpose of seniority; however, previous service upon reemployment shall count toward seniority;
- (2) To be absent from the job due to a leave of absence without pay will be considered lost time for the accrual of seniority; however, previous service upon reemployment is counted toward seniority;
- (3) To be absent from the job due to involuntary active military leave will not affect seniority. Such time spent in military service will count toward seniority;
- (4) An employee's continuous service for purpose of seniority shall be broken by voluntary resignation, discharge for justifiable cause and retirement;
- (5) The Employer shall post a seniority roster on the effective date of this Agreement and on January 1 of each year thereafter. Employees may protest their seniority designation through the usual grievance procedure if they have cause to believe an error has been made;
- (6) Absences due to injury in the line of duty for a time period up to one (1) year shall be considered as time worked for the purposes of accruing seniority.

ARTICLE 11-VACANCIES AND PROMOTIONS

Section 1. Whenever a newly created or vacant position is to be filled, the Employer shall post such an opening notice. The posting shall be in a place normally used to post employee-oriented material, and shall include:

- (1) classification of open position;
- (2) pay for the position;
- (3) deadline for accepting applications;
- (4) minimum qualifications necessary to be eligible for the position.

Section 2. Current regular full time or regular part time Wastewater Chemists will have the first opportunity to apply for vacant and new positions within the bargaining unit. The City will advertise for outside applicants to fill a vacant or new position only when city management determines that no internal applicant possesses the qualifications desired of the individual needed to fill the vacancy or new position.

Whenever two or more internal applicants apply for an opening and where qualifications and work experience for the position are substantially similar; and the applicant has the physical ability to perform the essential tasks of the position, seniority shall be the determining factor in awarding a position to an internal applicant. This provision shall not apply to probationary employees. Upon promotion, an internal applicant may serve a six (6) month probationary period for the position. Any time during this six-month period management, for cause or at the request of the employee, may return this employee to their original position at their previous rate of pay.

Employees in a training or cross-training position may be allowed to return to their old position after the training is completed.

Section 3. All job openings shall be posted for at least seven (7) calendar days before being filled.

Section 4. (1) An employee who is involuntarily transferred shall receive compensation that is equal to or greater than the compensation received in their previous position. An involuntary transfer does not include a situation where an employee bumps another employee as a result of employment reassignment or layoffs within the department, or where an employee was promoted and then returned to their previous position because of inability to satisfactorily perform job duties and responsibilities in the promoted position or the employee requests a transfer back to their position.

(2) An employee who is bumped into another position by another employee shall not be entitled to compensation that is equal to the compensation received in their previous employment position unless the position the employee is bumped into is compensated at the identical wage level.

ARTICLE 12-GRIEVANCE AND ARBITRATION PROCEDURE

A "grievance" is defined as any dispute involving the interpretation, application, or alleged violation of the express provisions of this Agreement. Grievances or disputes that may arise shall be settled in the manner set forth herein. If time limits set forth herein are not adhered to by either one of the parties, the grievance shall be settled in favor of the party that is not in default of the time limits. Saturday and Sunday are not considered working days for City staff. The employee may have their Federation representative present in all steps of the grievance procedure. Any employee may directly contact either the Public Works Director or the Human Resources Department if they believe the grievance procedure process is being obstructed.

Step 1. Informal Discussion.

Within ten (10) working days after its occurrence, the aggrieved party shall verbally discuss their complaint with their immediate supervisor or if the grievance involves a disciplinary action, with the supervisor issuing the disciplinary action. If discussions are unable to resolve the grievance, the respondent, within ten (10) additional working days will give a verbal reply to the complaint, advising the aggrieved party of his or her options.

Step 2. Discuss with Superintendent and notify Union.

If the grievance is not settled at Step 1, the aggrieved party shall, within ten (10) additional working days schedule a meeting with the Wastewater Treatment Division Superintendent to discuss the grievance. The Superintendent will have ten (10) working days following the meeting to respond to the complaint and attempt resolution. At this step, the Federation shall be notified in writing by the employee of the grievance and written proof of that notification shall be provided to the Wastewater Treatment Division Superintendent or their designee.

Step 3. Formal written grievance, Public Works Director

If the grievance is not settled at Step 2, the aggrieved party shall, within ten (10) working days, submit the grievance through the Federation, in writing, to the Public Works Director. This written grievance shall set forth: (1) the nature of the grievance, (2) the facts on which it is based, (3) the provisions of the agreement allegedly violated, and (4) the relief requested. If any of these elements are missing from the written grievance, it will not be considered and will be terminated at Step 2. The Public Works Director will have ten (10) working days to set up a meeting with the appropriate parties to hear testimony and discussion. The Director will then have ten (10) additional working days to prepare a written response.

Step 4. Formal Written Submittal to Mayor

If the grievance is not settled satisfactorily at Step 3, the written grievance shall, within ten (10) working days be submitted through the Federation, in writing to the Mayor or their designee. The grievance shall contain the same elements as listed in Step 3 or it will not be considered. The Mayor or their designee shall, within ten (10) working days after receipt of the written grievance to schedule a meeting with the appropriate parties to hear discussion and testimony. The Mayor will then have ten (10) working days after the meeting to prepare a written response.

Step 5. Conciliation Meeting

If the matter is not resolved at this point, a conciliation meeting will be held with the parties involved as a

final attempt to settle the dispute prior to proceeding with the arbitration. The Mayor or their designee shall preside over this proceeding. If, for whatever reason, a conciliation meeting does not take place within ten (10) working days following the Mayor's written response, either party to the Agreement may unilaterally call for arbitration proceedings as called for in Step 6 of the grievance procedure.

Step 6. Arbitration.

Any dispute which has not been resolved by the above grievance procedure may be submitted to arbitration by the aggrieved party through the Federation, providing it is submitted within ten (10) working days after the conciliation meeting. The aggrieved party shall notify the other party in writing of the matter to be arbitrated and the contract provisions allegedly violated. Within ten (10) working days the parties shall request a list of five (5) qualified names from the State Board of Personnel Appeals. The Federation and the Employer shall each strike two (2) names in alternate order, and the remaining shall be the arbitrator. The Federation shall strike the first name. In cases where an employee is the aggrieved party, authorization to submit the grievance to arbitration shall be final and binding on both parties. Costs incurred for the arbitrator shall be borne equally by both parties. Authority of the arbitrator is limited to matters of interpretation or application of the express provisions of this Agreement that directly pertain to the issue(s) submitted in writing for arbitration. The arbitrator shall consider and decide only the specific issues submitted in writing and shall have no power or authority to add to, subtract from, amend, or modify any of the terms or provisions of this Agreement.

If a grievance is not presented within the time limits set forth above it shall be considered waived. A time limit in each step may be extended by mutual agreement of the Employer and the Federation. If a grievance does not contain the necessary elements listed in Step 3, it shall be considered waived.

Employer grievances shall be filed with the Federation representative at Step 2 of the procedure.

ARTICLE 13-LAYOFFS

Section 1. If due to shortage of work or funds, or change in the organization, it becomes necessary to lay off employees those with the least seniority in the Chemist job description shall be laid off first, unless it is necessary for the normal operation of the Wastewater facilities to retain a particular classification of employee. Layoffs within classifications shall be by layoff of those with the least seniority within the classification, unless there is a significant change in job performance as evidenced by informal or formal disciplinary action. Employees affected by any layoffs shall have the right to bump less senior employees in other classifications for which they are currently qualified and physically able to perform the duties of the employment position. Employees subject to layoff shall receive a minimum of ten (10) working days advance notice prior to such layoff.

Section 2. Recall of laid-off employees shall be made in the reverse order of layoff. Employer recall of laid-off employees shall be by registered mail notice to the employees being recalled at the employee's last known address that has been given to the Employer. The employee shall have the responsibility to keep the Employer informed of address changes. Employee response to the Employer's recall letter must be received by the Employer within five (5) calendar days of receipt of notice of recall from layoff. Failure to timely respond shall constitute a waiver of right to recall. All employee recall rights shall expire twelve (12) months after the employee's layoff date.

Section 3. Employees shall be laid off in the following order:

- (1) emergency employees;
- (2) Temporary employees
- (3) Probationary employees
- (2) seasonal employees;
- (3)
- (4) regular employees.

ARTICLE 14-SUSPENSION AND DISCHARGE

Section 1: Each employee shall be considered as a probationary employee for their first six (6) months of continuous employment service, after which their seniority shall date back to their date of hire. There will be no seniority among probationary employees. Probationary employees may be laid off, discharged, or otherwise dismissed at the sole discretion of the Employer and shall not be entitled to use the grievance and arbitration procedures provided for in Article 12 (Grievance and Arbitration), for discharge unless covered by this contract. A probationary period shall not mean the same as or be considered in any way related to employee training periods with respect to various employment classifications within the Wastewater Section..

Section 2. An employee may be disciplined or discharged only for just cause. The Employer will administer discipline in accordance with the provisions of the City of Missoula Personnel Policy Manual. Prompt feedback on performance and constant communication is necessary between supervisors and their employees. In addition, if an employee is not performing their duties in a satisfactory manner, it is the responsibility of their supervisor to give proper notice and guidance outlining the deficiencies. The following progressive disciplinary procedures shall be utilized however, it should be understood that depending on the nature and circumstances of the unsatisfactory performance, the department head may use any disciplinary measure appropriate within their judgment:

Section 3. Dismissal for Cause - The following non-inclusive reasons are sufficient for dismissal for good cause:

1. Incompetence or inefficiency in the performance of duties.
2. Conviction of a criminal offense involving moral turpitude.
3. Violation of any lawful or official regulation or order, or failure to obey any lawful direction made and given by a supervisor where such violation or failure amounts to an act of insubordination or a breach of proper discipline, or has resulted or might reasonably be expected to result in loss or injury to the City or public.
4. Wanton use of offensive conduct or language toward the public, City officials or other employees.
