Neighborhood Council Report

Monday, June 3

Missoula City Council
435 Ryman
Missoula, MT 59802

University District Leadership Team Report:

- Parking in the University District remains a topic of ongoing discussion, with the leadership team actively engaging with neighbors to address their expectations and apprehensions regarding the proposed parking adjustments.
- The University District Neighborhood Cleanup was a great success – the dumpster was fully filled, which reflected the community’s eagerness to contribute to the clean-up effort. The team also facilitated community conversations around the Parks, Recreation, Open Space, and Trails (PROST) plan and parking in the University District neighborhood.
