12.60.040 Designated Temporary Camping Sites and Safe Parking Sites

A. Mayor to Investigate Designating Camping/Parking Sites. The Mayor is directed to investigate the possibility of designating temporary camping sites and safe parking sites on City property or on private property where the owner of the property is voluntarily willing to allow use of their property under agreed upon terms and conditions enforceable by the City. If the Mayor, ~~in their sole discretion,~~ deems it feasible, practicable, and in the public interest, the Mayor **shall bring a proposal to City Council is authorized** to designate temporary camping sites and safe parking sites on City property or on private property where the owner of the property is voluntarily willing to allow use of their property under agreed upon terms and conditions enforceable by the City.

Page 9-10: 12.60.050 Part C - 8:

8. *Towing Vehicles; Costs.* In the event a Vehicle camp structure belonging to an Unsheltered Individual is towed and/or impounded by the city, no fees will be associated with the towing or impoundment; however any costs incurred by the City to cleanup public or private property surrounding the towed vehicular camp structure, due to accumulation of garbage and refuse around the vehicle, must be paid to the City before the vehicle is released. In the event the city tows or causes to be towed the same vehicular camp structure more than ~~three (3)~~ two (2) times due to violations of this Chapter, costs of towing and impoundment may be assessed.
