Moose Can Gully/South 39th Leadership Team Report:

- The MCG/S39th Neighborhood Leadership Team plans to host its annual general meeting this September, with the location yet to be finalized. The team eagerly anticipates conducting a gift card raffle for residents to participate in, in addition to providing an opportunity for them to voice their concerns about the neighborhood
- Currently, the team is actively recruiting new members to join the leadership team to diversify perspectives and amplify community voices. Recently, they engaged with neighbors at Garland Park during City Chat's in the Parks event last Thursday evening. The team looks forward to the upcoming general meeting, hoping it will attract additional members to join the leadership team.
