

AMENDMENT TO CONTRACT AGREEMENT FOR SERVICES
between
the City of Missoula
and the Poverello Center, Inc. for
Emergency Winter Shelter Services

This Amendment to the contract agreement for services for the provision of emergency winter shelter is entered into by and between the Poverello Center Inc., a Montana non-profit corporation located at 1110 West Broadway, Missoula, MT, and the City of Missoula, Montana, a municipal corporation incorporated pursuant to Montana law, located at 435 Ryman, Missoula, MT (the City).

The City executed a contract on November 5th, 2019 with the Poverello Center, Inc. to provide emergency winter shelter services from November 1, 2019 through March 31, 2020. For the satisfactory completion of the services listed in the scope of services, the City agreed to compensate the Poverello Center \$50,000. The total cost of providing Emergency Winter Shelter services for the current season was estimated at \$160,000. The Office of Housing and Community Development agreed to assist the Poverello Center in continued fundraising to meet the full cost of services.

The City of Missoula is amending section 5 (on page 2) of the executed contract to reflect additional funds provided to the City of Missoula to cover expenses associated with this effort. The additional funds consist of \$50,000 from Missoula County and \$20,000 from St. Patrick Hospital. Per this amendment, the contract amount is increased to a total of \$120,000.

This amendment does not alter the original scope of services. All remaining aspects of the contract remain in effect and as stated in the original document.

IN WITNESS OF THE TERMS SET OUT ABOVE, the parties have executed this Award Agreement.
