### Neighborhood Council Report

Monday, August 19

Missoula City Council  
435 Ryman  
Missoula, MT 59802

#### **Franklin to the Fort Leadership Team Report:**

- The Franklin to Fort Neighborhood was hit particularly hard during the intense thunderstorm in July. We wanted to thank our neighbors for coming together and helping each other out after the storm. We also appreciate Public Works and Mobility for actively removing limbs and debris in our neighborhood.
- Also, over the past few months we've been hearing a lot of positive comments about Neighborways, which is a group that is proposing to create a protected 6- to 8-foot-wide corridor along existing street pavement that would serve as an alternative to sidewalks on certain streets. Recently we also attended listening sessions from residents who have concerns about the project and we want to continue these sessions to make sure all perspectives are heard.
- Lastly, we are excited to invite you to our 3rd annual Franklin to the Fort Block Party, which will be held on Wednesday, September 4th from 5:30 to 8:00 PM at Franklin Park. We will have a DJ, food trucks, ice cream, kid's activities, and more. We have collaborated with Franklin to the Fort Neighbors in Action, a local group of folks to work to better the neighborhood, to put on this event.
