**Action Required:**

Authorize Mayor Davis to sign a contract renewal with Axon Technologies for continued support of existing Taser program

**Recommended Motion(s):**

I move the City Council: Authorize Mayor Davis to sign a contract with Axon Technologies to continue support of the Taser program to replace end of life equipment, ensure adequate consumables for training and duty use and update to current equipment.

**Timeline:**

Committee discussion:	December 11, 2024
Council action (or sets hearing):	December 16, 2024
Public Hearing (if required):	N/A
Deadline:	N/A

**Background and Alternatives Explored:**

The Taser program has been a successful program since 2001, and it provided a valuable less-lethal option to our officers. The MPD entered a contract with Axon in 2021. That contract would expire in 2026. This opportunity to enter into a new contract this year provides an immediate cost savings, which is deferred to FY27 and FY28.

**Financial Implications: TBD completed**
