Committee discussion:	May 21, 2025
Council action (or sets hearing):	June 2, 2025
Public Hearing (if required):	N/A
Deadline:	N/A

Background and Alternatives Explored:
Public Works & Mobility is proposing to amend a Professional Services Agreement with Morrison-Maierle Inc. to perform construction administration and project closeout for the N 1st Street Water Main Replacement Project. The original Professional Services Agreement was simply to design the project. The amendment will be for the construction oversight portion and closeout documentation. This project will replace the Kalmein water mains constructed in 1914 and 1924 located underneath N 1st St from Wolf to Ryman and on Woody St from N 2nd to N 1st. This project will replace approximately 1800 linear feet of priority 1 water main and replace 4 hydrants which will provide increased fireground operations and community safety.

Financial Implications:
The total cost of this amendment is \$95,369 and will be funded by the Water Enterprise Fund via a State Revolving Loan Fund (SRF).
