Background and Alternatives Explored:
The term for a City Council appointed position on the Open Space Advisory Committee held by Robert Erickson expired on January 25, 2020. The City Clerk office sent a letter to the incumbent inviting him to reapply and published notice of the positions on the city website. Candidates for the position must either reside in City limits or in an area within a 4.5 mile radius of City limits. Two people submitted applications for the position. Both indicate they are City residents:

Robert Erickson (reapplying)
Lisa Dworak (new applicant)
