Consider a resolution to update the operating hours and boundaries of the Clark Fork River Market.

Recommended Motion(s):
I move the City Council: adopt a resolution amending Resolution 8186 and Resolution 6910 expanding the Clark Fork River Market boundaries as shown in Exhibit A and amending the hours of operation for the market.

Timeline:
Referral to committee: March 2, 2020
Committee discussion: March 4, 2020
Council action (or sets hearing): March 9, 2020
Public Hearing: N/A
Deadline: N/A

Background and Alternatives Explored:
Hours and locations of public markets must be approved by City Council (MMC 8.14.040). The City Council adopted a resolution to establish the Clark Fork River Market in 2005 and approved a boundary expansion in 2017. Higgins Avenue Bridge construction is expected to begin in 2020 and the market will not be able to use its current location for the duration of the project. The Clark Fork River Market board is requesting new market boundaries that will allow it to relocate during construction and allow it flexibility to adapt as use of the riverfront corridor changes.
