From Gwen Jones to All Panelists: 03:58 PM

From Bryan von Lossberg to All Panelists: 03:58 PM

From Gwen Jones to All Panelists: 03:59 PM

From Bryan von Lossberg to All Panelists: 03:59 PM

From Heather Harp to All Panelists: 04:17 PM

Thanks Bryan for circling back

From Heidi West to All Panelists: 04:43 PM

I gotta hop off. I will catch upon the last public comments later. so sorry.

From Leigh Griffing to All Panelists: 04:43 PM

Very sorry, must leave at 4:45. I will watch recorded meeting and please feel free to email me with any questions.

From Me to Everyone: 04:43 PM

While I agree that other members should be allowed to speak before others who have spoken before, it is by our own council rules, which are a little confusing due to covid that all members of the public wanting to speak certainly should have the opportunity even if we go a little long. Its hard to understand the procedures with online meetings and since we are remaining online longer we should make some exceptions.

From Julie Merritt to All Panelists: 04:45 PM

I'm able to stay a little late but I think it is only fair to give people who haven't spoken yet to have a turn during the allotted time

From Me to Everyone: 04:50 PM

I agree with you Julie, Im just saying that hopefully we can all stay a bit longer to make sure all voices are heard.

From Marty Rehbein to All Panelists: 04:51 PM

Please make your comments in the public record. Thank you. MR
