Dear Ms. McCrea,

The Friends of Grant Creek, a long-standing Montana nonprofit, would like to be informed of all opportunities for public involvement in the proposed rezoning of the reclaimed quarry at 2920 Expo Parkway.

Our board has voted to support the existing zoning at the quarry and to oppose the proposed rezoning.

We receive mail at P.O. Box 16358, Missoula, MT 59808.

Email can be sent to friendsofgrantcreek@gmail.com.

My home phone is 406 549-0686.

Looking forward to working with you and your staff as the Friends of Grant Creek work to support the existing zoning at 2920 Expo Parkway.

Thanks,

Wendell Beardsley, President
