Background and Alternatives Explored:

This is the lone internal road for a new commercial development being built by Engineering Support Services on the corner of Maple St. and W Broadway. It is a private road with a public access easement in place. In order for our E-911 systems to work at their optimum, it is suggested that this road receive a name. There was no included name on the subdivision plat when recorded, so this process is being followed post-road creation.

The owner/developer has obtained signatures for 100% (4 out of 4 parcels) of the parcels adjacent to the street in question that could be affected by the name change.

Per MCA 7-14-4112 City Council has the authority to change street names:
