Hi Jamie – Kevin wanted me to forward this on to you for Trinity Mullan. Did he already forward you the confirmation from Spectrum for this site? If not, I can forward that along as well!

Thanks,

Drue, normally I just sign off on the MFE but we will not have any issues servicing this location.

Hi Chad - I'm reaching out to obtain a will serve letter for a future project to be constructed near the address: 2340 Mullan Road affordable housing project for the Missoula Housing Authority and Homeward. The project as a whole consists of two separate parcels (see the aerial below), and the other near Cooley and Burns where the old trailer park was located. I have attached a preliminary site plan for reference. You can also see below for an aerial of the project location:

We are currently working towards a subdivision approval for the Mullan site, which is why we are looking for a will serve letter for the Cooley Site!

Thanks,
