Drue,

Yes we can provide Charter services at this location.

Do you have some type of template letter you want me to fill out and/or sign??

On another subject, I am looking for a contact with Missoula Home WORD on another of their projects on Great Northern Loop.

So far I have not had any luck with someone in this group reaching out to me for Charter service to this new housing development

Thanks Benny

Hi Benny - I'm reaching out to obtain a will serve letter for a future project to be constructed near the address: 2340 Mullan Road Missoula, MT. This project is an affordable housing project for the Missoula housing authority and Homeword. The project as a whole consists of two separate project sites, one on Mullan (as shown in the aerial below), and the other near Cooley and Burns where the old trailer park was located. I have attached a preliminary site plan exhibit for the Mullan site for your reference. You can also see below for an aerial of the project location:

We are currently working towards a subdivision approval for the Mullan site, which is why we are looking for a will serve letter from you. I will be sending another email soon for coordination regarding utilities for the Cooley Site!

Thanks,
Drue Seamans
