Re: Trinity Mullan 2 Lot Minor Subdivision

Dear Jamie Erbacher,

Development Services received your application packet for the above subdivision for *First Agency Sufficiency Review* on September 15, 2020. The review deadline is October 9, 2020.

At this time, Development Services can declare your application packet to be sufficient for review. Please submit a revised copy of the following documents to our office by **Friday, October 16, 2020:**

1. A replacement cover page that adds "Governing Body Review" and the date: October 13, 2020;
2. A replacement page before Tab 1 that adds "Governing Body Review" and the date October 13, 2020 as the Governing Body Review Date;
3. Add this letter to Section 10, Element / Sufficiency Correspondence;
4. Add to Section 11 any agency comment received during First Sufficiency Review and WGM's responses to agency comment (if applicable).

Please email the above documents as pdf's. We will replace the pages in the packet with the new documents and get them linked to the Development Services Current Projects webpage. Except for the addition of these materials, the Governing Body Review packet must be exactly the same as the packet that was deemed Sufficient.

If you have additional questions, please feel free to give me a call at 552-3282 or TripardC@ci.missoula.mt.us.

Sincerely,

Cassie Tripard
