Anna,

Thanks for the opportunity to comment. I have no comments about the water or sewer information presented in the sufficiency packet.

Subject: Trinity Mullan Subdivision Agency Sufficiency Review

Dear Agent:

The City of Missoula Development Services has identified you as being an agency that may have important comments to make about the proposed subdivision. Your comments are important to us.

On September 16, 2020, Development Services posted the Trinity Mullan subdivision packet online for your review. An email was sent to each agency that was identified by Development Services on September 17, 2020.

The purpose of this agency review is twofold: 1) For agencies to determine if the subdivision submittal packet has enough information or is sufficient for review; 2) For agencies to provide comment regarding the proposed subdivision that should be addressed before the project is submitted for governing body review. Thus, it is important that you send us your comments. Subdivision regulations allow **twelve working days** for you to make comments and get them to us. If there is anything we can do to help facilitate your review, please let us know.

Please send any comments to avickers@wmggroup.com by end of the day, October 6, 2020 the agency comment deadline, and copy Cassie Tripard (TripardC@ci.missoula.mt.us). The Agency Sufficiency Review deadline will be October 9, 2020.

Thank you in advance for your comments. If you will not be providing comments, we would appreciate you letting us know.

Sincerely,
WGM Group, Inc.
