**Background and Alternatives Explored:**

The Invest Health Team recently received funding to develop a Risk Displacement Ratio for the Missoula Community. A presentation on this research would help inform the impact as well as potential mitigation tools as Missoula is seeing rapid development and redevelopment. This information can be useful as council considers the implementation of policies related to the Missoula Housing Policy, A Place to Call Home and establishes the Housing Trust Fund. This is an informational item.

**Financial Implications:** N/A
