Date: Monday, March 1, 2021 5:31:47 PM

Dave and Mr. Mayor,

We would like to formally request an extension of our public hearing to next week so that we can further discuss the details of our proposed parkland memo that was sent today by our development team at the Land Use and Planning Committee Hearing on Wednesday. We will be present on the call tonight if there are any further questions for us.

Thank you,

KODY SWARTZ, PE, LSI
