Committee discussion:	July 14, 2021
Council action (or sets hearing):	July 19, 2021
Public Hearing:	N/A
Deadline:	N/A

Background and Alternatives Explored:

On July 1, 2019, City Council approved and adopted a resolution supporting Missoula County's application for the Better Utilizing Investments to Leverage Development (BUILD) Grant for projects in the Mullan Rd. to Broadway area west of Reserve St. The grant application was successful, and the project was awarded \$13 million by the U.S. Department of Transportation.

The City of Missoula, in partnership with Missoula County, intends to construct transportation improvements and public utility improvements with a federal BUILD Grant and other local funding sources included in the Mullan BUILD Project. These agreements secure the public rights-of-way and easements necessary to construct the project as required by Federal regulations, as well as any specific improvements and cost sharing to be included in the Project.

Financial Implications:

No cost in regards to the establishment of these agreements. The City's financial obligations for the Mullan BUILD Project were established in the FY21 CIP.
