Background and Alternatives Explored:

The required addition of two elected judges to Municipal Court requires the provision of a third courtroom. The design and construction of the Municipal Court space needs to be completed prior to the January 3, 2022 deadline for the placement of the additional judges. See Ordinance 3683, signed May 24, 2021, which amends Title 2 to establish three municipal court judges.

Financial Implications:

A CIP is being prepared for the design/construction costs associated with the project that will be brought forward to City Council as part of the annual, public budget process.
